## CO-PRESIDENTS' CORNER

*By Debbie and John Talamo*

The month of November is a time to be thankful, and at Communications High School, the PSFA has so much for which to be grateful. We are grateful to **Eda Saeger** and **Susan Svihart** and the **Hospitality Committee**. Already this year, they have organized the delicious refreshments for Back to School Night and PSFA meetings. They will also provide bagels and drinks before mid-term exams for all of our students. We must also thank those who participated in the **Magazine Drive**. If you were not able to take part, you can still contribute 40% of all your magazine subscriptions and renewals by ordering through the online connection throughout the year. Thank you to our **Membership Committee: Mark Allen and Paula Dazio**. Because of their extraordinary efforts, 83% of CHS families have joined the PSFA. In addition, directories and addenda have been produced and distributed to all members. We are thankful to the many families who used the **One-Time Donation** option to help support the goals of the CHS PSFA. It is because of these contributions and all of the PSFA fundraising efforts that we are able to provide the activities and events that enhance the education of CHS students. We are very thankful for the tremendous community spirit at CHS that resulted in **CHS Team Spirit** raising funds for Breast Cancer research by "walking for the cure." It is thanks to our involved CHS parents that the PSFA is able to be an active and important part of Communications High School. Our many thanks to all of you! We hope to see everyone at the PSFA meeting on November 3rd. The meeting will include the distribution of the Faculty Grants and the gearing up for the Dinner Dance and Gift Raffle.

# Outsmart the SAT

## LEARN A STRATEGY FOR EVERY QUESTION YOU'LL FACE ON THE SAT

**OUR UNIQUE GUARANTEE:** Catalyst's weekend SAT Bootcamp is the only SAT prep class designed by instructors who have earned multiple perfect scores (2400) on the actual SAT. Catalyst is uniquely poised to help students succeed because we take the real SAT every time the test is offered to make sure our strategies address all aspects of the exam. We use our insider knowledge to help students turn the SAT's predictability to their advantage. Topics include:

- ✓ *How to spot hidden clues that instantly reveal the main idea in long reading passages*
- ✓ *How to avoid the four snekiest ways SAT Grammar questions try to trick students*
- ✓ *How to shortcut math questions that stump more than 90% of test-takers*
- ✓ *How to compose a perfect-score essay – no matter what question the SAT asks*

Catalyst's SAT Bootcamp is not a "mock" SAT or an infomercial for our services. It is a momentum-boosting weekend seminar designed to make sure students head into the SAT with every key strategy fresh in their mind. Students receive Catalyst's prep materials, self-study materials, vocabulary list, diagnostic tests, and copies of essays that have received perfect scores on actual SATs.

The *Communiqué* uses a "paperless" distribution system. We distribute the newsletter and other important PSFA announcements via our email system. **Please take a moment to register online at <http://chs-psfa.org/communique/>.**

You may register as many emails as you would like and can un-subscribe at any time. Of course, we never give away your personal information. Contact Mark Allen at 732-216-4350 or [mark@redbankweb.com](mailto:mark@redbankweb.com) with any questions.

Thank You, Thank You, **Thank You CHS**. Our eighth annual 'Hope Starts Here Walk', the American Cancer Society's Making Strides Against Breast Cancer event, was again a great success! CHS had 57 walkers representing students, alumni, family, friends and faculty. We were one of the largest teams so large that ACS considers us a 'Company Team'. At last count, CHS has raised over \$5,200.00 this year. In our short tenure at the walk, we have donated just over \$40,000.00 to this worthy cause.

**Thank you PSFA** for your generous donation of team shirts every year. CHS is nothing if not stylish at the walk. **Thank you friends and family** who were unable to attend, but sponsored a walker, Finally, **Thank you CHS Team Spirit**, for walking, because its important.

There is nothing more heartwarming than to see this many members of our community be so generous with their time, money and spirit. This event has become a CHS Tradition, one I am so proud to be a small part of. Looking forward to Strides '12. If you missed the pre-walk tailgate party which included buttercream cake, music and lots of pictures; don't worry we'll be back again next year.

- with gratitude, Mrs. Rod

Hope is still here, at CHS.  
I'm proud of every single one of you!

**We have some extra t-shirts, if you'd still like to make a donation to ACS, we'll be giving away the extras for a donation. (checks payable to ACS.)**

# NATIONAL ART HONOR SOCIETY

On Thursday, October 20, 2011, the National Art Honor Society held their first after school workshop. Senior and Activities Officer Kira DiSomma led this splatter painting workshop by first demonstrating the painting technique. Using canvas and tempera paints, participants then dripped, threw, smeared, stepped, and painted abstract works of art in the style of mid-century abstract impressionists like Jackson Pollock.

NAHS will continue its workshop series in November with a cake and cookie decorating workshop on Tuesday, November 29, 2011. The artistic and delicious treats created by members at this session will be part of the luncheon provided during the NAHS induction ceremony. Fifty-six new members will be inducted on November 30, 2011 during the lunch and activity period. Parents are welcome to contribute food and / or attend this ceremony. Please contact Shelly Ortner or Laura Gesin prior to the event if you wish to contribute or attend.

## DRAMA CLUB

The Drama Club's production of **"Elf"** is coming along very well. We are very excited to be presenting it to you on December 9th and 10th, both at 8pm. Tickets are \$7 for CHS students and \$10 for everyone else. They will be available the week leading up to the performances and the night of the performances, but we do recommend getting them in advance. Last year, over 300 members of the CHS community came out to see "Humbug," but **we hope to have even more people attending this year's production.**

Also for **"Elf"**, a particularly family-friendly show, the Drama Club will be offering a new program for young children in which parents can drop their children off for the show, and we will provide supervision, snacks, and, of course, entertainment. Parents can use this time to get caught up on holiday shopping! More information to come.

The Drama Club would also like to thank the PSFA, who will be assisting the Drama Club financially with our production of Laughing Stock, which will be in April at the Jersey Shore Arts Center in Ocean Grove, NJ. We are very excited to be able to expand into this beautiful space which seats about 600.

On Friday, October 14, Drama Club students Rachel Belli, Gabby Maurer, Jen Hout, Alana Annunziato, Kevin Erskine, Caroline Palsi and Danielle Cooper attended Drama Workshops at Farleigh Dickinson University. They participated in physical and vocal warm-ups, improvising and bonding exercises, monologue presentations and dialogues on stage with Broadway actors, Laurie Birmingham and Don Burroughs of *Mama Mia*. Stephen Hollis the Director of Visual and Performing Arts at FDU conducted the monologue portion and will send students a critique of their work.

## **BROADCAST CLUB**

The Broadcast Club is off to a great start this year! We are currently in the mix of several projects including making commercials for the Cultural Communications Club, producing a PSA for the Academic Lab, and creating commercials for the SGA on this year's spirit week events. Also, several students just finished competing in the national Student Television Network Challenge: an intense six day competition that requires students to produce a three minute feature story based on a given prompt. The Broadcast club entered two categories: news and sports. The news video can be viewed online here: [http://www.youtube.com/watch?v=U-8WH\\_8-lpo](http://www.youtube.com/watch?v=U-8WH_8-lpo)

The Broadcast Club meets on Thursdays at 10:30 in room 204, and anyone interested in television or broadcast journalism is encourage to join!

## **THE INKBLOT**

The Inkblot, the independent student newspaper of CHS, is seeking patron sponsors for the 2011-2012 year. Advertising fees cover less than 50% of the expenses of the publication, so the Inkblot depends heavily on donation from the CHS community. All donations help pay for printing expenses, web hosting fees, and equipment costs.

The Inkblot strives, year after year, to provide students and members of the CHS community with a free copy of every issue of The Inkblot. Unfortunately, as printing and web fees increase, this goal becomes more and more lofty. This year we are having a patron drive. For a small donation of \$20, you can become an Inkblot patron, and have yourname listed in every issue. Additionally, if you make a donation of \$30, we will mail you a copy of each issue of The Inkblot, right to your house. These amounts are merely suggestions, as a donation of any amount is welcomed and greatly appreciated.

If you would like to donate, please contact Brian Murphy at [bmurphy@theinkblotnews.com](mailto:bmurphy@theinkblotnews.com), and we will send you a form. Additionally, we will be mailing forms to each home shortly. We sincerely thank you for your assistance.

## The National Technical Honor Society Induction: An Intimate Yet Memorable Night

On Wednesday, October 19, 2011 eleven students were formally inducted into The National Technical Honor Society (NTHS) for their commitment to the society's seven ideals: Skill, Honesty, Service, Responsibility, Scholarship, Citizenship, and Leadership. The new members fulfilled the requirements set forth by the national organization by maintaining a high GPA, receiving various letters of recommendation, committing to SkillsUSA and competing in a specific technical field at the state level. As a member of this prestigious organization, students receive several scholarship opportunities and a membership to the American Careers Journal. Thank you to Mr. Allen for all of his printing assistance and to Mrs. Plumeri and the Chorus for the entertainment!

Congratulations!

## ENGLISH & HISTORY COLLABORATIVE PUPPET SHOWS: A CLASS ACT

On Wednesday, October 12, 2011 the World History and English I students came together to engage in some brilliant puppetry. After learning about the cultural achievements of the Renaissance period and about how the social/political history of Italian history influenced the time period, the students were ready to write a historically accurate script, create embellished scenery and quirky puppets. This gave students the option to be artistic and tell a creative story that was relevant to the time period. It was definitely a worthwhile experience to watch the puppet and human performers work collaboratively on their culminating project for the Renaissance unit.

## *From the Guidance Department...*

**Seniors:** Please remember an application checklist must accompany every application. If the school does not accept electronic documents, you must also provide 5 stamps with a 9x12 manila envelope along with a business-sized envelope addressed to the college admissions office. Our deadline for all applications is **November 21st**. If you have a December 1st deadline, then the application needs to be in the guidance office by November 13th. Think how grateful you will be on Thanksgiving if all the stress of applications and essays is over. Also, one last reminder: you must have the College Board send SAT scores directly to colleges. Students can still sign up for the December 3rd SATs. The deadline to register is November 8<sup>th</sup> for regular registration and November 20th for late registration.

**Juniors:** PSAT scores should be here in early December. Students will receive their test booklets back along with the score sheet that gives the correct answers to all of the questions. The teacher convention break is the perfect time to visit colleges. Many colleges schedule open houses during that time. Most schools require that you pre-register for campus events. You can go to the college web site for dates and information. *The Princeton Review* Guide to College Visits is a good resource if you need accommodations while visiting schools.

Juniors should take the SAT for the first time after they have completed their first semester. The January 28th date is a great first time opportunity for the SAT, because the College Board offers the Question and Answer Service for an additional charge. It is a great tool to analyze what sections need improvement. If students are planning to take the SAT Subject tests, they should take them as close to the completion of the course as possible. If they plan to take US History and Literature and have completed those courses 1st semester, then the January 28<sup>th</sup> date would be the ideal time to take those subject tests. Dec. 30<sup>th</sup> is the deadline to register. You can register online at **[sat.collegeboard.com/register](http://sat.collegeboard.com/register)**. Our school code is **311586**.

**Sophomores:** The PSAT scores and booklets are especially important because there is a site that students can use to improve their score for next year. The 11th grade scores are used to determine eligibility for the National Merit Scholarship Program. Continue to encourage your children to participate in clubs and volunteer activities. In addition, they should keep track of their hours, because this time next year, as juniors, they may be considered for induction into the National Honor Society. Monthly hour forms and information can be found in the Clubs room of the BBS.

**Freshman:** Help your children prepare for midterm exams. This grade is on the report card and will be factored into the final grade. The exam periods are two hours, and with block scheduling half a year's material has been covered. The midterms are scheduled for Tuesday, Nov. 8<sup>th</sup> periods 1 & 3 and Wednesday, Nov. 9<sup>th</sup> periods 2 & 4 after the teacher convention break.
