

CHS Communiqué

Parent Student Faculty Association Newsletter

Volume 15, Issue 1

September 2014

CHS Communiqué is the official publication of the CHS PSFA, The Parent Student Faculty Association of Communications High School, a Monmouth County Career Academy.

Editor:

Clare McDowell newsletterchs@yahoo.com

The PSFA also has important PSFA announcements via our email system.

Please take a moment to register online at <http://chs-psfa.org/communique/>.

Submissions are welcome.

Co-Presidents' Corner

By Jessica Leigh Evans

(Parent of Emileigh-Class of 2017)

And Kathy Gilbert

(Parent of Sean-Class of 2015)

We welcome the families of the CHS Class of 2018 to CHS and welcome back the families of our upperclassmen. We hope you all are ready for another great year at CHS!

CHS, as a Monmouth County Academy, is unique in that it is made up of students from all over our very large county. A major goal of the CHS Parent Student Faculty Association is to provide opportunities for our geographically divergent families to come together. An equally important goal of the PSFA is to provide programs that have the potential to benefit the entire student body.

We welcome the new officers of the PSFA: Diane Harvey, Vice President, parent of Julia, Class of 2016; Anthony Quattrocchi, Recording Secretary, parent of Anthony, Class of 2017; and Janice Quattrocchi, Corresponding Secretary, parent of Anthony, Class of 2017. Welcome back to Joann Passentino, Treasurer, parent of Cassie, Class of 2016.

The PSFA is fortunate to have a very enthusiastic and active membership. All of our committees need parent volunteers to succeed! Please consider getting involved. It is great to have the opportunity to meet with other parents and Mr. Gleason on a monthly basis at our meetings. Of course, the PSFA could not function without the support of Mr. Gleason and all the CHS staff. We are grateful for everything they do to help the PSFA thrive.

We encourage **all** CHS families to join the PSFA. Your membership is crucial to providing the programs and events we sponsor for CHS students. One of the benefits to PSFA membership is the **CHS PSFA Student Family Directory**. All PSFA members receive a copy and have the option to be included in the directory. Another benefit is that students whose families are members of the PSFA are eligible to apply for the ten \$500 PSFA Graduation Awards that the PSFA presents each June.

Already, many committees are hard at work. Stephanie Ladiana and Patricia Lober have conducted our **Membership Drive** and are in the process of producing the **CHS PSFA Student Family Directory** to facilitate our students and their families keeping in touch. The PSFA is happy to say we are planning a **Back to School Bonfire**, scheduled for Friday, September 26th. Watch for details in a future Email.

The PSFA Executive Board always welcomes new ideas. Please join us at PSFA meetings and take the opportunity to share your suggestions and have any questions answered. Our meetings are scheduled on the first Thursday of the month at 7:30. Our first meeting of this year, however, is scheduled for Wednesday, September 10th. We are always available by phone or email.

We hope to see you at our first meeting on Wednesday, September 10th, at 7:30 pm, and at Back to School Night on September 17th at 6:30 pm.

Save The Date

The PSFA's largest fundraiser, the 11th annual Dinner & Gift Raffle, will be held on Saturday, March 21, 2015, at the Jumping Brook Golf Club.

We are looking for two or three volunteers to help run this fun event!!!

Teacher of Health and Physical Education
Advisor, Class of 2017*

Outsmart the SAT

Learn A Strategy For Every Question You'll Face On The SAT

The Catalyst SAT Bootcamp is a momentum-boosting seminar that arms students with go-to strategies for every question they'll face on the day of the test. Topics include how to:

- Spot hidden clues that instantly reveal the main idea in long reading passages
- Avoid the four sneakiest ways SAT Grammar questions try to trick students
- Shortcut math questions that stump more than 90% of test-takers
- Compose a perfect-score essay – no matter what question the SAT asks

OUR UNIQUE GUARANTEE

The Catalyst SAT Bootcamp is not a "mock" SAT or an infomercial for our services; it's real preparation designed by instructors who have earned multiple perfect scores on the actual SAT. In just one weekend, the Catalyst SAT Bootcamp ignites confidence and momentum by teaching students how to outsmart every type of question – and trap answer. Plus attendees walk away with Catalyst's SAT Bootcamp book, self-study materials, diagnostic tests, and even copies of essays that have earned perfect scores on actual SATs. Our SAT Bootcamp is for students taking the SAT or PSAT *before the Spring of 2016*.

LOCATION

Communications High School

COST

Just \$175 to enroll by Wednesday, September 24th at 6pm. We unfortunately cannot accommodate walk-in students.

SCHEDULE

Day 1: Saturday, September 27th, 9am – 1pm
Day 2: Sunday, September 28th, 9am – 1pm

Students attend both days.

September 2014

Welcome to the 2014-2015 school year. Whether you are an existing parent, or new to CHS, we look forward to working with you as we journey through your child's high school experience to post-secondary education together.

Seniors: College application time! Here are some ways to help keep your child on track:

- Make sure your child's Naviance account is up-to-date. He or she should have added his or her list of colleges and universities they are applying to, and requested teacher letters of recommendation. If your child is using the Common Application (most are), they should put in the necessary information to match his or her Common Application with Naviance.
- As your child completes an application, be sure they bring an application checklist to the guidance office. This is the document that indicates it's time for us to send supporting documentation (HS transcript, school profile, letters of recommendation from both counselor and teacher, and school reports for the Common Application). This is available on Naviance.
- Make sure your child sends his or her SAT and ACT scores directly to the college from the testing institution.
- Ask your child about dates and encourage him or her to keep a planner. CHS deadlines are different from college deadlines. It's a lot to keep track of, but very important information. CHS deadlines are: October 17th for Early Decision/Early Action, November 14th for applications with a December 1st deadline, and November 26th for all other applications. Review each college website for merit scholarship dates, dates that the CSS Profile/FAFSA is due, as well as the actual application due dates.
- Call the guidance office for an appointment with your child's counselor if you feel you could use any help navigating this process.

Juniors: It's time for you child to start thinking about taking the SAT and/or ACT. Check out the testing center websites (www.collegeboard.com and www.actstudent.org) to learn more. Be aware of registration deadlines and testing center locations. Parent tip...if you are wondering how you can help your child on testing day, drive them to the test! Arrive early and drop them off at the door. They will be testing at a school other than CHS, and parking may be difficult. Be sure they have everything ready (including a photo ID) the night before the test.

Sophomores: It seems like your child just entered high school and yet they have already begun the process of preparing for college. Talk to your child about clubs and activities they are a part of. Dialogue with them to determine what they are developing a passion for vs. what they are doing because they feel it's the right thing to do in preparation for their future. There is no right answer, but having this conversation can ease the transition into choosing a major. Look into the Congressional Award (www.congressionalaward.org). This is a free recognition program that affords your child the opportunity to document and organize all of the things they are doing already that will help prepare them for college as well as good citizenship. By understanding your child's developing interests, you can also begin to think about summer programs, work, or other opportunities that may be beneficial to your child's growth.

Freshmen: We will be meeting individually with your child in a quest to get to know them. Please encourage your child to get to know us and we encourage you to get to know your child's teachers and us. Please call us if you have any questions or concerns. We are on a four-year journey together and we look forward to working with you.

ALL PARENTS: Follow the Guidance Blog for up-to-date information on topics that range from contests and scholarships to informational articles. The guidance blog can be viewed from the CHS home page (Click on Guidance, then Guidance Messages) or directly from chsguidancedept.blogspot.com.
