Co-Presidents' Corner

By Janice Quattrocchi (parent of Anthony, Class of 2017) & Jody Sackett (parent of Julianne, Class of 2018)

These cool days of autumn remind us that summer vacation is definitely over, and it is time to buckle down. Students are diligently studying; seniors are applying to colleges; the faculty are already giving tests; and of course the PSFA is already off and running. Come run with us!

It was wonderful to see *so many* parents at our first PSFA meeting and Back to School Night last month. Many thanks to our Hospitality Chairs Dania Bruneau, Sorca Gill, and Lang Holtz for organizing welcoming refreshments for both events.

The annual Beach Bonfire hit new attendance records as 350 CHS folks came to Belmar for s'mores and a *huge* bonfire under a gorgeous Harvest Moon. Students played guitars while parents got to meet each other or catch up with old friends. We are grateful to Jocelyn and Bob Graney for pulling this all together and creating such a magical evening for all of us. Thanks also to the many parents who generously donated treats or funds for this fun night.

Our essential PSFA Directory was distributed to all members at Back to School Night. Please let us know at CHS.PSFA@gmail.com if you didn't get yours yet. We will also be emailing an addendum so your Directory can be as complete as is humanly possible, so keep an eye out for it. If you haven't joined the PSFA yet, you can easily do so at our website at CHS-PSFA.org. Major kudos to Membership Chairs Jessica Evans and Tina Cavazzoni for the terrific Directory.

Did you get your text reminders with our new Remind Me system? We did, and thankfully remembered to send in payment on Picture Day. It's so easy to join the system, just text [@chspsfa](https://www.chspsfa.org) to 81010. Our many thanks to Caren MacConnell for creating this for us. The PSFA-sponsored SAT Prep Boot Camp was last month, and the ACT Boot Camp will be on October 15 & 16. Chair Dania Bruneau has made sure our kids are now all set for these onerous standardized tests.

All these fabulous programs enrich our beloved CHS, but require financial resources. Please help us keep the ball rolling by supporting the PSFA in 2 ways this October – by registering for our entertaining *Wine & Design* painting fundraiser on November 4th at Pinot's Palette in Red Bank, and by donating either your time or financially to our Annual Donation Campaign. We need you!

Our PSFA meetings are the first Thursday of every month, so we hope to see you again on October 6th at 7:30pm. Join us if you can, and if not, we'll be posting the Minutes on our website now so you can see what you missed. See you around CHS!

Wine & Design

(see flyer in Communiqué!)

Come join us for the PSFA Wine & Design painting fundraiser on November 4th from 7:00 – 10:00pm at Pinot's Palette on Broad Street in Red Bank. We will learn how to paint a gorgeous shore picture while enjoying wine, appetizers, and dessert. It's the perfect fun way to meet other CHS parents, and bring your friends too! We'll socialize and warm up our artistic talent for a half hour before the 2-hour painting lesson starts. No talent needed; Pinot's caters to beginners. You'll bring your masterpiece home with you that evening to dazzle your family. Please bring a bottle of wine, appetizer, and/or dessert to make the evening extra-special; everything else is included. Any questions can be emailed to CHS.PSFA@gmail.com.

Seating is very limited due to the studio size, so please register *now* (\$40/person) by simply clicking on this link <https://www.pinotpalette.com/redbank/event/121455> to get to our event page and buy a ticket. Thanks, and see you there!

Dear CHS Families,

Welcome back to our beloved Communications High School for another year of academic excellence, creative learning, and wonderful people. We are delighted you have joined the PSFA and look forward to a great year together. CHS is a truly outstanding school, ranked the 27th Best High School in the *nation* by Newsweek. Clearly our children are getting a superb education, and we are all *so proud* to be a part of it.

Our goal is to enrich the CHS experience for all students, faculty, and parents. To achieve this, the PSFA works hard every year to contribute:

Provides Day Planners to every student on the first day of school
The all-school Beach Bonfire in the fall to welcome students and families
PSFA College Scholarships
All-school student assemblies
Driver's Ed Courses
A printed PSFA Directory distributed in September, listing all members and faculty
SAT & ACT review programs through Catalyst Prep Weekend Boot Camps
Financial grant support for faculty, student clubs, and competition teams
The Color Wars all-school BBQ in the spring
Parent Social Activities, such as the fall Wine & Design, winter Gift Auction Dinner, and spring Mini-Golf
Busing for class trips for all grades
Bagel Breakfasts for every student before all midterms and final exams
Parent Mentoring for incoming freshmen parents
Teacher Appreciation Week in the spring
Text Reminders for CHS and PSFA events
Hospitality food for Career Day, MCVSD District meetings & Information Sessions, and all PSFA meetings
Graduation caps & gowns for all graduating students
Alumni networking

To provide the funds for these many benefits, the PSFA is conducting its Annual Fund Campaign now. Please help us! **We suggest a single donation per family of \$100** to cover the multitude of benefits your children receive. We understand that each family has their own commitments and must plan each financial outlay carefully, so all donations, no matter the amount, are gratefully accepted. Remember, your donations enable activities for the *entire* student body. **And this single donation covers you for the whole year, so (guilt-free!) you do not have to make further donations.** If you are unable to donate funds, we would appreciate your donation of your precious time to PSFA committees and events, to help us mutually achieve our CHS goals.

We truly thank you for your past assistance, and your continued support of our cherished school. **The back of this letter has a donation form, which can be mailed or sent in with your child to the CHS Main Office.** Our Annual Donation Campaign ends soon, so don't delay – help our students today!

With our sincere gratitude,

The CHS PSFA

NHS Members Mentor Incoming Freshmen

On the first day of school, each National Honor Society member met with the freshmen they were paired with in June. Members gave a warm welcome to their “buddies” and presented them with gift bags, showed them how to open their lockers and answered questions.

This mentorship process began when the incoming class came to the Freshman Orientation on April 14th. They were split into groups and had the opportunity to ask questions of the NHS members. They also had the opportunity to get to know classmates they would befriend over the next four years.

Over the summer, letters were sent from the NHS members to their assigned mentees, with contact information and an invitation to ask anything, whether it be advice, information about the school, or about personal experiences.

Now that the academic year has begun, the NHS members are both friends and resources to their mentees, ready to share all that the school has to offer.

CHS Cultural Communications Club Activities

The Cultural Communications Club is very excited about our partnership with Allaire Community Farm, a 501-3(c) charity, also known as The Little Red Barn with a Big Heart. Located less than 5 minutes away from CHS, it is the perfect place for the CCC to make our “second home” this year. Club members will be volunteering at events and utilizing their unique skills to help revamp the farm.

We also adopted a baby cow named Lola to sponsor through the proceeds of a special sandwich sold once a month at our Breakfast Sales.

Check out what’s happening with us at the farm in the next month:

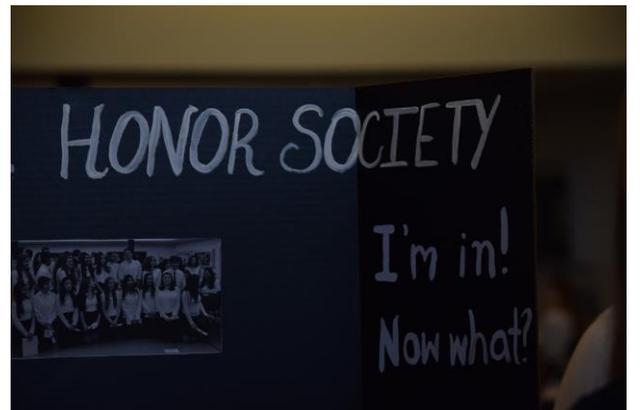

Saturday, October 8 th	Farm Food Truck Festival 12-6pm
Saturday, October 15 th	Car Show/Vendor Fair 11am-3pm
Sunday, November 6 th	Special Needs Family & Friends Harvest Festival 12-4pm

In September, club members and CHS students attended the Hustle for Hannah 5K at Monmouth Regional High School in honor of Hannah Duffy, a local girl who passed away from brain cancer. The CCC also held a successful Saturday morning car wash at Feigus Office Furniture in Wall Twp., and all proceeds benefitted Pick Your Paw Animal Rescue.

As always, all donations are greatly appreciated, and if you are interested in getting involved in any way, please contact Caroline Collins at cacollins@ctemc.org. Thank you for your continued support. We are looking forward to a great year!

Seniors: I'm sure you know by now that the FAFSA will be available to you on October 1st. Making the FAFSA available early can work to your advantage:

- Your 2015 taxes are already done. Use the IRS Retrieval feature to quickly and easily match with the FAFSA. This also uncomplicates the need for income verification.
- Print your Student Aid Report (SAR) and use the numbers provided with the Net Price Calculator on the college or university's website. Take the SAR with you when meeting with representative from the financial aid office.

For additional information about the early FAFSA and the prior initiative, visit <https://www.nasfaa.org/ppystudents>.

Keep an eye on schools that require the CSS Profile: <http://student.collegeboard.org/css-financial-aid-profile>.

The <http://www.monmouthcountyscholarships.com> site is resource for you, maintained mostly by the career academy counselors, to keep you informed of local scholarship opportunities.

Transcripts will only be sent to colleges and universities after an application checklist is hand-delivered to the guidance office.

Sophomores and Juniors: This is a time of testing and college exploration.

The PSAT will be held at CHS on October 19th. Now would be a great time to dust off last year's score reports and test booklet and review some of the questions.

SAT dates and ACT dates are available on the guidance blog (http://chsguidancedept.blogspot.com/p/blog-page_93.html) and http://chsguidancedept.blogspot.com/p/blog-page_20.html) or the testing organization's website.

The New Jersey National College Fair is scheduled for November 1, 2016 in Atlantic City. Go to <http://www.nacacnet.org/college-fairs/FallNCF/Pages/Atlantic-City.aspx> for additional information or <https://www.gotomyncf.com> to register.

The Monmouth County Guidance Directors' Association will be hosting a college fair at Brookdale Community College on October 16th from 1:00 p.m. – 4:00 p.m in the Collins Arena. Use Parking Lots 1, 6, and 7.

Ranney School will be hosting a spring college fair on April 17th from 7:30 – 9:00 for anyone not ready for the fall college fairs. Save the date!

Juniors: We will be setting up individual parent meetings starting in November, and we look forward to working with you and your child as we begin his or her post-secondary journey together.

We are meeting with our semester one Junior Seminar students and beginning our college planning portfolios. Thank you (in advance) to the parents who have homework as a result. If you have any questions about completing the FERPA waiver or what to put on the brag sheets, please reach out to your child's counselor.

Freshman: We focused on career planning when we met with the first marking period Computer Technologies (CT) classes. Each student was assigned a Naviance account and completed *Do What You Are*, a tool to identify personality types and potential career opportunities. If your child has CT this marking period, please ask them to show you what they learned.

All Parents: We would like to extend a warm welcome to Katia Barone, our guidance intern from Monmouth University. She will be working closely with us this semester as she looks forward to working with you and your children.
