Co-Presidents' Corner

By Jody Sackett (parent of Julianne, Class of 2018) and Laura Andersen (parent of Julianna, Class of 2019)

Welcome to the Class of 2021, and welcome back to the families of our upperclassmen. We hope you all are ready for a great year at CHS!

As a Monmouth County Academy, CHS draws students from all over, and a primary goal of the CHS Parent Student Faculty Association is to provide opportunities for our geographically diverse families to come together. An equally important goal is to provide programs that can benefit the *entire* student body, including the Bagel Breakfasts before exams, or the fabulous Color Wars BBQ, school-wide assemblies, club support, and even the student planners provided to everyone in September.

We welcome the **new officers** of the PSFA: Co-President Laura Andersen, parent of Julianna (Class of 2019); Corresponding Secretary Aphrodite Noone, parent of Delia (2018); and Recording Secretary Kate Megerle, parent of Colleen (2019). Welcome back to Co-President Jody Sackett, parent of Julianne (2018); Vice-President Sharon Jemas, parent of Kathryn

(2019); and Treasurer Therese Heidelberger, parent of Cecilia (2019).

The PSFA is also fortunate to have enthusiastic Committee Chairs and a wonderful membership. All of our committees need parent volunteers to succeed, so please consider getting involved with your favorite ones (see the **Committee List** in this newsletter). It's a great way to meet other parents and find out what your kids *don't* tell you. Of course, the PSFA could not function without the support of Mr. Gleason and all the CHS staff, and we are always so grateful for everything they do.

We encourage all CHS families to **join the PSFA**. Learn more about us on Facebook and at **our website at www.Chs-psfa.org**. Your membership is crucial to providing the programs and events we sponsor for all our students. Membership comes with benefits like the essential Directory (please register by September 11th to be included), and eligibility for PSFA scholarships. Thanks to Membership Chairs Janet Pepsin and Lori Littenberg for graciously handling membership inquiries and creating the Directory. Contact them at membership@chs-psfa.org if you have questions.

Parent Mentors are a wonderful guide for freshmen families to the nuances of CHS. These upper-class volunteers are available all year long to answer any questions that might arise, such as "Can parents

attend Coffeehouse?" (yes!) or what student clubs involve. Any freshmen families that wish to be matched with a Parent Mentor, please see the attached form included in the Communiqué or contact us at chs.psfa@gmail.com.

Our much-anticipated annual **Beach Bonfire** will be in Belmar on Friday, September 22nd from 6:30 – 9:00 (flyer enclosed in this Communiqué). This is a fun night for the *entire* family, so we look forward to seeing everyone there. Parents can congregate at the beach Parents' Corner, where we adults can meet each other and chat, while the students gather with their own friends. Please join us and enjoy the beach sunset with new friends and s'mores. You can RSVP with the flyer in this Communiqué. Questions? Contact chair Jocelyn Graney at Jgraney3@verizon.net.

The PSFA is a friendly group and always welcomes new ideas. Come to our **PSFA meetings on the first Thursday of every month at 7:30**. Hear Principal Gleason update us on what's happening at CHS, discover upcoming events, and meet other parents. Our first meeting of this year will be Thursday, September 7th in the CHS cafeteria.

We are delighted to begin our year with our annual **CHS Committee Meet & Greet on September 7th from 7:00 – 7:30**, open to all parents who would like to learn about the PSFA committees and meet the Committee Chairpersons (or perhaps just each other). The PSFA General Meeting follows immediately afterwards at 7:30, so now's your chance to learn what our CHS community is all about and maybe find a committee you can't resist volunteering for.

Don't forget **Back to School Night** on September 19th. It's a busy month, and we look forward to sharing it with you. Contact us at Chs.psfa@gmail.com anytime!

IMPORTANT NOTE FROM HOSPITALITY: *Our first big event is **Back to School Night** on **September 19th**. We need help with setup and donations that night.*

Membership: This committee actively seeks 100% parental participation in the PSFA. Our membership information is collected online and the PSFA Webmaster currently oversees the database. The membership committee attends Freshmen Orientation to facilitate registration and Back-to-School night to hand out PSFA directories. The committee chairs work with PayPal and our Webmaster. Contact chairs Janet Pepsin and Lori Littenberg at Membership@chs-psfa.org.

Beach Bonfire: We are extremely proud of our annual CHS Bonfire held in the fall on the beach in Belmar. This is a fun way for both students as well as family members to come together to share s'mores, sit by the bonfire and even enjoy some music courtesy of our gifted CHS students. Duties of this committee include collection of items that are donated as well as transporting items to the bonfire, managing the fire, maintaining a list of attendees, organizing the Freshmen Parent's Corner, check in guests at check-in table, ensure safety of students during the event, work snack table, and cleanup. Contact Chair Jocelyn Graney at jgraney3@verizon.net.

Color Wars: This is the most exciting event of the year for our students! Every June our students get to show off their competitive side as the student Color Teams compete against each other in various events. This committee oversees the event as well as coordinating responsibilities with many parent volunteers for the day, including greeters, BBQ grillers, food & drink set up, and cleanup. It's a great opportunity to meet parents and be a part of an exciting day at CHS. Contact Chairs Dave Wren and Bill Spezia at chscolorwars2016@gmail.com.

Fundraising/Dinner & Gift Auction: Various fundraising events enable the PSFA to provide financial support for many student activities, events, and scholarships. Magazine sales are conducted throughout the year, and there are seasonal fundraisers such as the Wine & Design, Bluegrass Mini-Golf Parent vs Student Tournament, and selling new CHS promotional items. The biggest fundraiser is the lovely Dinner & Gift Auction held in the spring; this active committee solicits donations and ads, creates event decorations and the program, and wraps, displays, & presents the gift baskets. Many volunteers are needed for this committee and it's a superb way to meet other parents and learn *a lot* about CHS. Contact Chairs Sharon Jemas at sjemas@aol.com, and Louise Krall at Jkrall2@comcast.net.

Public Relations: This committee is responsible for communicating PSFA activities and achievements to families & the school community, through our Facebook page and other venues. Contact Chairs Hope Raymond at Hoperaymond@yahoo.com and Renju Thomas at Renjut@gmail.com.

An Alumni Newsletter is sent out several times a year with articles about alumni and corporate mentors. Contact Chair Vivien Cheng at Magicalhome13@gmail.com.

Parent-Student Activities: This new committee oversees events involving both students and their parents, such as the holiday Mingle & Jingle meet and greet. Contact Chair Jody Sackett at Jodylin@Verizon.net.

Newsletter: The Communique comes out monthly to share news of PSFA activities, school events, faculty updates, and more. Editor: Beth Chunn (Newsletterchs@yahoo.com.)

Mentors – the Best Guides to CHS!

GET THE HELP OF A PARENT MENTOR FOR ANY QUESTIONS YOU MAY HAVE THROUGHOUT THE YEAR!

Welcome Freshman Families – CHS Class of 2021! On behalf of the Parent Student Faculty Association, we are delighted to welcome you to our beloved Communications High School. You should be so proud of your child’s acceptance to this wonderful and outstanding high school.

A new school presents many opportunities and challenges. What better way to navigate it than with a guide? The PSFA sponsors a Parent Mentorship program that provides experienced CHS parent mentors to new families in our CHS community. We can help explain those events listed on the CHS calendar, why the autumn Bonfire is so much fun for everyone, or even share transition stories. Need someone to explain block scheduling or discuss student clubs? Call your mentor!

Here’s how it works. Current CHS parents have volunteered to mentor you new folks.

So every family that requests a Mentor will be matched with one (ideally, one who lives in your town or close by). Mentors will be matched early this summer. They will contact you to introduce themselves, give you some basic information about the school, and serve as your guide to help your student and family adjust to CHS. Mentors are assigned to you for the entire freshmen year, so you can contact them whenever you have questions about high school life.

If you would like to sign up for a Parent Mentor, please complete the information below and return it now to the PSFA. You can return it by emailing this completed form directly to the PSFA at CHS.PSFA@gmail.com.

We’re glad you’re here, and look forward to a fulfilling and wonderful academic experience together.

Seniors:

As the application process begins, familiarize yourself with the Application Checklist available on the Guidance blog. A checklist is required for each college that needs your transcript and other supporting documentation. Application Checklists are given directly to your school counselor. This is the document that tells us that you've applied to a specific college or university and that you would like us to send the high school information necessary to complete your application. Don't forget to send your test scores directly from the testing institution.

Keep your Naviance account up-to-date, specifically the Colleges I'm Applying to tab. This is how we send your transcript and other supporting documentation electronically. Under the same tab, scroll down to request the teachers who will be writing your recommendation. This will allow them to upload your letter. Also, as college representatives are scheduling fall visits, they are listed here and will be updated frequently. Current visits include:

Finally, please be sure to indicate how you are applying (Common Application or college's website) as incorrect information may slow down the process.

Stay organized. Keep a planner with key dates (application, financial aid.) Check to see if the college requires the CSS Profile, and if they do, learn if it's only for need-based aid that you may not qualify for. Do not be afraid to pick up the phone and call the colleges with questions. You may be surprised how much this helps in the application process.

Athletes that play Division I or II sports must register with the NCAA Eligibility Center online and request transcripts under My Tasks at www.eligibilitycenter.org.

Have fun with the college search. Remember to include likely, realistic, and reach schools on your final list. Do your homework now, and find the right college(s) in the beginning. Doing your homework and applying to fewer schools will save your money on application fees and make the final decision less stressful.

A Message from the Assistant Principal
of Curriculum and Instruction

KELLY HARMON
ASSISTANT PRINCIPAL
CURRICULUM & INSTRUCTION

kharmon@ctemc.org

<http://heightk.wixsite.com/curriculumcorner2>

Dear Parents,

Happy September! Yes, Happy September!! ☺

I wanted to take this time to introduce myself. If I look familiar that is because I spent 11 years at CHS as the 9th grade ELA instructor before being promoted. Currently, I am the Assistant Principal of Curriculum and Instruction, serving the five career academies, assisting the principals, supporting teachers and overseeing professional and curriculum development.

With that being said, I'm happy to be back, collaborating with teachers and students. Not only does September bring football (my favorite sport), but it also brings the beginning of another school year. I am grateful and gratified to hear the low hum of teen chatter and the clicking of three ring notebooks. It doesn't matter if I'm at Communications, High Technology, Biotechnology, Allied Health or the Marine Academy; the sound of earnest students excited to learn and succeed never changes.

While it's always enjoyable to soak up the sun and re-energize during the summer months, it's even more enjoyable to be back at "work," observing the timidity of the skeptic freshmen, the poise of the self-assured seniors and the energy of the rejuvenated staff. I feel honored to serve as an educational leader within such a unique and successful district.

Overall, best of luck this year and please do not hesitate to introduce yourself.

I look forward to meeting you!

The 2017-2018 SGA Welcomes You!

Student Government Association

Throughout the summer, CHS's Student Government Association has been planning for the upcoming school year. The 2017-2018 SGA includes president Jacqueline Geller of Manalapan, vice president Connor Martin of Spring Lake Heights and council members Emma Hecht of Wall, Samantha LaRoche of Middletown and Jonathan Slovak of Spring Lake Heights.

Of the many topics discussed over the break, the annual Thompson Park trip has been the main focus. Every year, the freshman class takes a trip to the park where they spend the day socializing and participating in icebreakers with their fellow peers. The day is organized by the Thompson Park staff as well as the SGA. Since last year's activities, such as the Human Knot competition and Ninja, were successful, they will be incorporated into the day again this year. The trip is planned to take place on Friday, September 8.

Once that trip is taken care of, the SGA will transition its attention to CHS's information sessions, which will be in September, October and November.

The SGA is looking forward to having a phenomenal school year. We especially appreciate the parents for all the things they have done and continue to do to make our high school experience the best it can be.

Dedicated to Community

OVER THE SUMMER, THE CCC HAS BEEN EXTREMELY ACTIVE IN THE LOCAL COMMUNITY.

STUDENTS HAVE WORKED HARD TO HELP THOSE IN NEED AND HAVE SHOWN THEIR IMMENSE DEDICATION TOWARDS VOLUNTEERING.

Here's a little bit about what we've been up to:

CCC volunteers helped Pick Your Paw run their stand at the Wall Fair from June 29th to July 2nd and had an awesome time taking care of the dogs! Pick Your Paw is an animal rescue service committed to rehabilitating dogs and finding them a home. If you would like to know more information about them, please feel free to visit www.pickyourpaw.org.

The Allaire Community Farm Hoedown took place on July 14th from 6 to 10 P.M. CCC volunteers served food and assisted the catering company. Despite the stormy weather, they worked from 5:30 to 10:30 P.M. It was a huge success thanks to the students!

The CCC spent 164 hours painting a mural for Head Start, a non-profit organization that promotes school readiness of children under age 5 from low-income families through education, health, social and other services. The mural is 7 feet wide and 36 feet long. This project was a huge undertaking and was only possible through the help of Señora Campbell and Mrs. Ortnier. Sebrina Gao designed the mural and led the students in painting the piece. She began planning the project before the end of the school year and spent every week working on it until the end of July with rising-junior Nicole Molnar and rising-senior Veronica Yaron. The CCC would like to extend a thank you everyone who helped. A celebration was held on August 9th to reward the volunteers, and it featured Señora Campbell's best cooking. The Head Start Mural was certainly the highlight of the club's summer activities!

This year, the club plans on supporting Allaire Community Farm, helping out the The Center in Asbury Park for HIV/AIDS, and continuing its tradition of Barnes and Nobles Gift Wrapping. There will be car washes, fundraisers, and more. Feel free to contact the club if you have any questions or concerns!
